SENIORS

We, the members of the Senior Class of 1947 are leaving, but we're not forgetting our days in W. H. S.

Neither are we forgetting some of the things we learned in school. We've studied hard and after twelve years of being led to the water we have all drunk some of the water of education. For some of us it is our last year but for others it is just a fork in the road of learning, but for all of us it has been an unforgettable experience.

We are not forgetting the sports we've entered either. Many of us have played and some have excelled but none will forget.

We'll all remember our Prom, our assemblies, our class plays, and the Rumpuses. Most of all we'll remember our Graduation Exercises, and our class, as a whole, as the best that ever was or will be.

What we started to say and have been trying to say all along is that we are learning and we would like to say "Good Bye" to all and we'll never forget you or the things associated with you and our school.

Best wishes & good luck always Betty.

JUNIORS

Three years ago the Class of 1948 entered Winslow High School and began to assume new responsibilities. As Freshmen we built the "W" for all the football rallies. We did our part in making the Bulldog Rumpus a success. Other freshmen activities included an assembly for the entire school and the Junior-Freshman dance.

When we became Sophomores our first action was to instruct the Freshmen in their duties about Winslow High School and to familarize them with its customs. At the Bulldog Rumpus our "Nite Club" and "Western Union" were patronized by almost everyone. The Senior-Sophomore dance was an outstanding event of the year. Our assembly "SOPH" was a realistic radio program.

This year we became upper-classmen. We are striving to make Winslow High a place of importance in our lives. This year a large percentage of the football team consisted of members from our ranks. As Juniors we have taken an increasing share of duties and reponsibilities. The Junior Play and Junior Prom are some of our important social events. The "Nite Club" "White Elephant," "Style Show," and the "Basketball Throw" were our contributions to the success of the Bulldog Rumpus.

In 1947 we hope to be the largest and best class that has ever graduated from good old Winslow High. Our Senior year is going to be one that everyone will long remember as a very eventful year at our Alma Mater.

SOPHOMORES

The Class of 49, in our opinion the very best, has now completed the first two years of our High School career.

Arriving at Winslow High as Seventh Graders in 1944, we were very active. We reorganized the Junior High Council, put on a Junior High dance, and helped with the Rumpus by bringing in more money than any other class.

As "green" Freshmen and not too sure we also had a year filled with activity. We put on the Freshman Assembly, helped with the Bulldog Rumpus and the Junior High Dance.

Returning to Winslow High in the fall of 1946, the Class of '49 began their Sophomore year.

This year in the Bulldog Rumpus we had Bingo, Kangaroo Court, and a side show, "Paris A-la-mode."

March 7, with the assistance of the Seniors we put on the Senior-Sophomore Dance.

Our class has contributed lettermen in the sports of W. H. S. also.

After two successful years in W. H. S. we are still looking forward to two more years in Winslow High School.

FRESHMEN

After passing through the Seventh Grade, we like all others before us became "green" Freshmen.

In the Seventh and Eighth Grades, we took part in the Bulldog Rumpus and other activities. In the Eighth Grade we took first price for having the best float in the Bulldog Rumpus Parade.

We are having several concessions in the Bulldog Rumpus this year Of these, we are having Dates with Kisses, Fish Pond, Grab Bag, and Beauty Shop.

We hope to take first prize in the floats again, although we will probably have pretty tough competition.

This year in the football season, we built the "W," like all others before us. Luckily they all burned, but there were some times when we were in doubt.

The Junior-Freshman Dance will be the 28th of February. We will take part in that also, and hope it will be a success.

The Freshman boys have been very successful in basketball this year. We have several boys that play on the "B" squad and one boy that plays on the "A" squad. We are really proud of them and figure that our boys will have a pretty good basketball team from the way it looks now.

We have all had fun this year and hope to have more fun in the three years to come even if we won't be "green" freshmen forever.

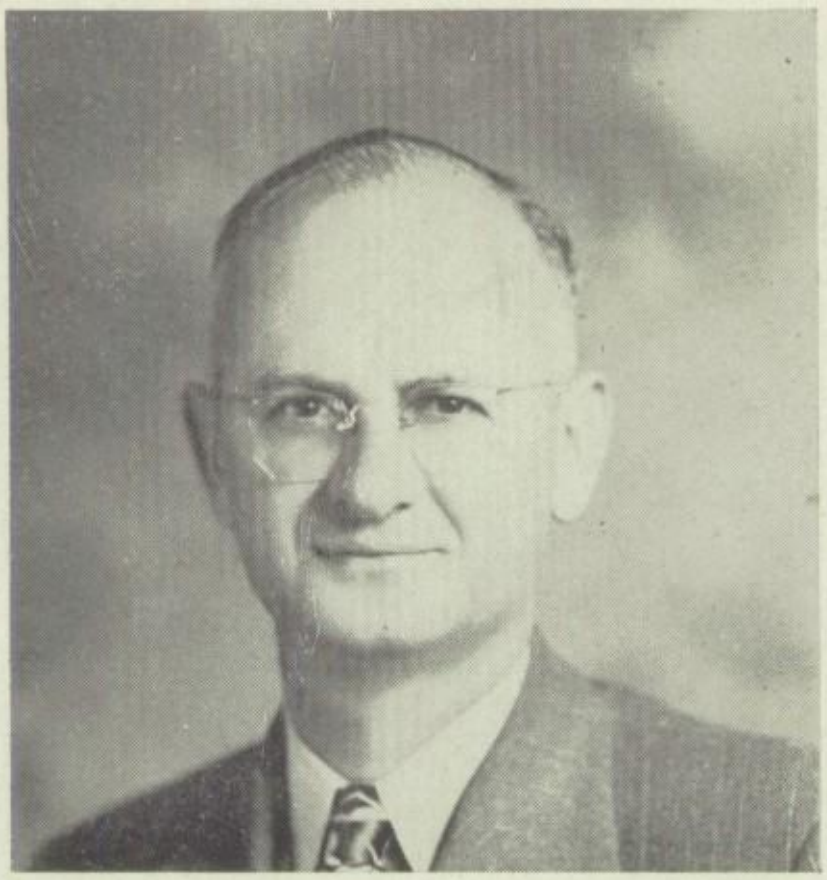
BASKETBALL

The 1946 basketball season started with a 34-10 victory over Camp Verde. The next game was lost to Snowflake, but the next five games were won with two overtime periods. In a return game with St. Johns, the Bulldogs were defeated, but recovered to win the next four games.

The Bulldogs defeated Seligman, the best scoring team in the North. They also beat Holbrook, who has not been defeated by Winslow in the last three years.

The Bulldogs were then defeated again by Snowflake, but recovered to beat Clarksdale, one of the North's best teams.

At the Northern Arizona Tournament, Winslow beat McNary and Seligman, but lost to Flagstaff and Snowflake. Bobby Ames, Captain of Winslow, was high scorer during the Tournament. He also was selected as forward, on the All-Northern Team. Bruce DeMarse was selected for Honorable Mention.



MR. JAMES P. LOVETT

The Bulldogs and Bullpups were successfully coached this year by James P. Lovett. Coach Lovett came to Winslow from Duncan last year and coached the Bull Pups through a successful season. This year, he took over both teams, leading them through a successful season. Baseball was first started by Mr. Lovett in Winslow High last year, and he plans to coach baseball again this year. Mr. Lovett is a graduate of Flagstaff State Teacher's College.

With the able assistance of the sponsor, Mr. Rapson, and the Editor, Kenneth Zismann, they have typed, cut, filed pictures, gathered information, written write-ups, and checked and re-checked to complete the Annual.

Although it was far behind schedule, the staff worked harder and harder to succeed in meeting the deadline.

A very important day in the life of every Pep Squad girl is "Rat Day." Every year, a certain number of girls from the Sophomore, Junior, and Senior Classes are invited to join the club. The girls must undergo a very strenuous initiation. They are garbed in the traditional overalls and shirt, along with huge onions hanging from their necks, and are christened "rats." They are to obey all orders given to them by the old members of the Pep Squad, or "Superiors."

The Pep Squad takes an active part in all athletic games and many other school functions. The annual Reverse Dance is sponsored by this organization. The members also have the honor of attending the Football and Basketball Banquets in honor of the football and basketball teams.

THINK

"As a man thinketh, so is he." Truer words were never spoken, yet masses of our people seem to be content to have others think for them.

Your teachers have used their talents to motivate your mind. The measure of their success can only be determined by your final score. If you are one of those content with getting by through any means, your final score will be bad. If, on the other hand, you have grasped the possibilities of the human mind and are willing to develop those possibilities, you most surely will be on the winning side.

WE THINK OUR BUSINESS

is a worthy one. While good, we think it can be improved. We think, too, that greater opportunities for its further development lie ahead.
